1 About

This document is a documentation for Users about the R-TYPE. The R-TYPE is a videogame developed by the La Pintade team and their friends. The team developed an R-TYPE-like product in a month for the Epitech's R-TYPE project.

This guide provides you a complete explanation over the R-TYPE game. However, if you want to go further and ask questions, please email us at info@r-type.lapintade.com
